CORE COMPETENCIES

3D & Hard-Surface

- Blender Expert (Hard-Surface)
- Architecture, Machinery & Medical 3D
- Quads Topology (105+ Drones)
- Cameraman (DJI Ronin RS5)

Full-Stack & Web

- React 19 & Vite
- Firebase (Firestore, Realtime DB)
- REST APIs & Cloud Auth

Systems & Network

- Multi-PC LAN AI Clustering
- Ugreen & Synology NAS
- OpenSSH & Remote Compute
- High-Performance PC Building

Automation & Scripting

- Python & Windows Automation
- FFmpeg Video Pipelines
- Inno Setup & Font Engineering

EDUCATION

B.Sc. in Animation
Chiang Mai University (Dec 2015)

Professional Experience

Grand Prix Winner (Best AI Short Film)

July 2026

Thailand International AI Film Festival (TIAIF 2026)

Won the top Grand Prix award for the AI short film "The Stroke of Night" (co-created with Animation Renaissance), demonstrating industry-leading AI-driven cinematic storytelling.

Full-Stack Web Developer & Systems Architect

2024 - Present

Home Dashboard & Distributed Studio Ecosystem

- Architected and deployed production web applications: **TimeTracker** (React 19, Firebase Firestore, Invoicing Engine), **NodNuat Mod Showcase**, and the **CMU Exam Preparation Web App**.
- Engineered multi-workstation AI compute clusters (LAN/OpenSSH) and automated AI media generation pipelines.
- Configured high-speed private cloud storage across Ugreen DXP2800 and Synology NAS systems.

Manager & Operations Lead / Senior 3D Modeler

Present

Animation Renaissance Co., Ltd.

- Lead senior-level 3D modeling and texturing for studio productions.
- Lead cameraman (DJI Ronin RS5 gimbal) and end-to-end video production director.
- Architected IT infrastructure, workstation builds, and high-performance compute setups.
- Managed operational budgets, facilities, and international transactions (USD/THB).

Founder & Localization Engineer

Present

NodNuat Translator Community (4.5k+ Followers)

- Founded and scaled a Thai game localization community with 4,500+ followers.
- Pioneered AI-driven localization workflows combined with meticulous human editing for AAA titles.
- Specialized in font forging, IGGY injection, and asset extraction for AAA titles.
